↑URΛ Ultimate Plan

The Smart, Simple Way to Stay Safe Online.

Protect what's important all in one app: your assets, identity, family, and tech.

Technology is essential to daily life. We use websites, devices, and apps that enable us to do nearly everything. But as the digital world grows more complex and advanced, so do online scams, cybercriminals, and predators.

Aura protects what's important - your money, identity, family, and tech - by detecting and preventing online threats. It's easy to use, simple to set up, and rated #1 by Security.org.1

Financial Fraud Protection

Stay a step ahead of threats with credit monitoring, credit lock, and financial tools to help keep your assets safe.

Identity Fraud Protection

Get alerts if we detect threats to your identity, SSN, online accounts, and more. Plus, we help protect your personal info from data brokers that may sell your info on the Dark Web.

VPN & Online Privacy

Secure your devices, keep your online activities private, and keep hackers at bay - so you can shop, bank and work online confidently wherever you go.

Digital Vault

As featured on:

Securely store and share sensitive data, digital files, and passwords with militarygrade encryption - all in one place. We'll automatically enable monitoring and alerts for all financial and personal information stored in the Digital Vault to help keep accounts and assets secure.

Family Safety (Family Plans Only)

Protect your loved ones from online predators with integrated safety tools that cover up to 10 additional adults and unlimited minors.

All Plans Include:

- \$5M Identity Theft Insurance* for each enrolled adult
- Lost Wallet Protection with \$500 **Emergency Cash**
- 24/7 Customer Care
- White Glove Fraud Resolution Service
- Restoration Services for Pre-Existing Fraud Events
- Unemployment & Tax Fraud Resolution
