

The Smart, Simple Way to Stay Safe Online.

Protection for your money, identity, family, and devices—all in one app.

We use websites, connected devices, and apps to do nearly everything online. But as the digital world grows more complex and advanced, so do online scams, cybercriminals, and predators. **That's where Aura comes in.**

Get alerted if your SSN, online accounts, and other personal info are at risk. Stay a step ahead of financial fraud with credit monitoring and lock. Keep hackers at bay and your online activity private. Stop phone scams and live spam-free. And more!

- ✓ Financial Fraud Protection
