

̄AURA

Make the internet a safer place for you and your family.

All-in-one security solution that helps protect the things you care about most.

Fraud Protection

Digital Security

Identity Theft Protection

Congratulations on taking the first step in protecting your identity

Now that you have enrolled in the Aura Identity and Fraud Protection, lookout for a welcome email and link from Aura to **set up and complete** your online account to get the most out of this benefit.

Protect yourself in 5 easy steps

1

Enroll in Aura Identity & Fraud protection.

2

Access and complete your online account when you receive the welcome email*.

3

Activate features like bank account monitoring and add family members.

4

Get alerted if suspicious activity is detected on your registered accounts.

5

If your ID is stolen Aura will help you recover your identity and reimburse lost funds.

Have questions?

The Aura customer service team is available 24 hours a day, 7 days a week. Call 1-833-552-2123

Download the Aura mobile app and you'll receive alerts to your mobile phone.

Apple Store

Google Play

*If you did not receive or cannot locate your welcome email from Aura, visit <https://my.aura.com/start> to activate your account. If you have already activated your account and created a password, visit <https://my.aura.com/sign-in> to log-in to your Aura account
