How it Works

- 1** RxSS pharmacists find **equally effective, affordable medications** covered by your insurance.
- 2** Your online account shows any **lower-cost prescriptions** available and lets you compare prices.
- 3** Switch to a more **affordable option with ease**. We'll get your doctor's approval and work with your pharmacy to get it done for you.
- 4** We'll contact you anytime you can save on prescriptions.

Your account is ready to go.

Visit **myrxss.com** to activate it
today and start saving.

How Can You Save?

We find all the medication options for your conditions. You and your doctor decide what's best for your health and budget. Here are just a few ways you might be able to save money:

- Generic forms of name-brand drugs
- Better prices through different pharmacies or mail-order
- Equally effective medications that cost less than your current prescription

Real People. Real Savings.
